

Announcement

20 November 2009

Appointment of Stephen Penneck to the Authority Board

The non-executive members of the Authority have today appointed **Stephen Penneck**, the new Director General of the Office for National Statistics, as an executive member of the UK Statistics Authority in the place of Steve Newman (ONS Finance Director) with immediate effect.

The other two executive members of the UK Statistics Authority are the National Statistician, Jil Matheson, and the Head of Assessment, Richard Alldritt.
