## **Statistics Authority publishes *Strengthening User Engagement* – Interim Report**

The Statistics Authority today publishes its Interim Report on *Strengthening User Engagement*. The report is available on the Authority website at:

<http://www.statisticsauthority.gov.uk/assessment/monitoring-reports/index.html>

An open meeting to discuss the interim report will be held in June 2010. A further announcement, including the date and location, will be published in due course on the Authority's website.
