Subject: Jeremy Hunt's claim on 6,000 avoidable deaths

Dear Ed,

See our article on Jeremy Hunt's claim today that 6,000 deaths would be avoidable if the NHS provided a 7 day service.

https://fullfact.org/live/2015/jul/7_day_nhs_6000_deaths-46562

We're concerned that he seems to have used unpublished figures from NHS England.

Thanks,

Laura
