## ***Standing Orders for the Board of the UK Statistics Authority (August 2019)***

### **1. Introduction**

- 1.1 These Standing Orders should be read in conjunction with Chapter 18 of the *Statistics and Registration Service Act 2007*. The Act created a '*Statistics Board*' but by resolution at its first meeting on 2 February 2008 the Board agreed that it would operate under the name of the '*UK Statistics Authority*'.
- 1.2 These Standing Orders will regulate the procedures of the Authority and of its committees as appropriate.

### **2. Statutory Framework, Role and responsibilities**

- 2.1 The UK Statistics Authority was established under the *Statistics and Registration Service Act 2007* (referred to in the Act as the '*Statistics Board*') and on 1 April 2008 formally assumed its powers under the Act. The Act gave the Authority the objective of 'promoting and safeguarding the production and publication of official statistics that serve the public good'. The work of the Board is further defined under secondary legislation made under the Act by the UK Parliament or the devolved legislatures.

### **3. Statement of Strategy: Better Statistics, Better Decisions**

- 3.1 On 29 October 2014 the Authority published its strategy for the UK official statistics system for the five years from 2015 to 2020.

#### Mission

- 3.2 Official statistics are for the benefit of society and the economy generally. They allow the formulation of better public policy and the effective measurement of those policies; they inform the direction of economic and commercial activities; they provide valuable information for analysts, researchers, public and voluntary bodies; and they enable the public to hold to account all organisations that spend public money, thus informing democratic debate. The collective mission of our official statistics system is:

**High quality statistics, analysis and advice to help Britain make better decisions.**

#### Functions

- 3.3 The Authority's strategy covers the three principal elements of the UK official statistics system for which the Authority has oversight. The Authority provides professional oversight of the Government Statistical Service (GSS) and has exclusive responsibility for the Office for National Statistics, and for independent regulation.

#### Strategic Objectives

- 3.4 To achieve its mission, the Authority will focus on five perspectives: a helpful, professional, innovative, efficient and capable statistical service will, we believe, serve the public good and help our nation take better decisions. These perspectives describe the way the Authority will work with others to provide a quality service, our ambition to be innovative, to deliver in a cost-effective way and to ensure we optimise the capability of the statistical community. Building stronger relationships will enable the Authority to be more helpful and intuitive in responding to the needs of stakeholders. To explain how we intend to deliver within each perspective, eight strategic objectives have been identified.

#### **4. Chair and Members of the Authority Board**

- 4.1 The Statistics and Registration Service Act 2007 provides for the appointment of the Chair of the Authority by Her Majesty the Queen as a non-executive member of the Board.
- 4.2 The Act also provides for the appointment of at least five Non-Executive members by the Minister for the Cabinet Office after consultation with the Chair of the Authority and Ministers in the devolved administrations.
- 4.3 The Minister for the Cabinet Office has, after consultation with the Chair of the Authority, agreed that one of the non-executive members is the Deputy Chair of the Authority.
- 4.4 The Act also allows for three executive members of the Authority Board, one of whom shall be the National Statistician and the other two being appointed by the Non-Executive members. The Authority Board has determined that the other two executive members of the Board shall currently be the Authority's Director General for Regulation and one of the three Director Generals in the Office for National Statistics (ONS), rotating on an annual basis.
- 4.5 As from April 2015 there are three Directors General in ONS, as follows:
- Director General for Data Capability (formally a member from April 2017 to March 2018).
  - Director General for Population and Public Policy (formally a member from April 2018 to March 2019); and
  - Director General for Economic Statistics (formally a member from April 2019 to March 2020);
- 4.6 The three Director Generals in ONS are equal in status and, irrespective of one of them being at any one time an Executive member of the Authority Board, all three will usually attend meetings of the Authority Board. The two Directors General who are not the Executive member of the Authority Board will be recorded in the minutes as being 'in attendance'.
- 4.7 The current membership of the Authority Board is at **Annex A** to these Standing Orders.

#### **5. Chairing the meeting of the Authority Board**

- 5.1 The Chair of the Authority will conduct all meetings of the Authority Board except that, in their absence, the Deputy Chair of the Authority or another member of the Authority appointed by the Chair of the Authority may take the chair.

#### **6. Calendar of meetings**

- 6.1 The Board of the Authority will usually meet at least eight times a year. See Section 21 about further information about other board and committees of the Authority.
- 6.2 Committees of the Board, with the exception of the Remuneration Committee, will usually meet at least four times a year at times to suit the business priorities for those committees and the dates will be agreed with the chairs of those committees. The Remuneration Committee will meet at least twice a year.
- 6.3 The Secretariat of the Authority will publish the dates and venues for the meetings of the Authority and its committees for the following calendar year before the end of May of every year.
- 6.4 Special meetings of the Authority Board may be called at short notice by the Chair of the Authority.

## **7. Timing and duration of meetings**

- 7.1 Meetings of the Authority Board will usually start at 10:00 and will usually finish by 16:00.
- 7.2 Meetings will usually commence with a session of the Non-Executive members only. The Chair will report back on that discussion during his report to the main Board meeting and this will be recorded in the minutes.
- 7.3 Where the business has not been completed within the agreed time, those members present may resolve to continue the meeting in order to deal with the business notified on the agenda. If not, uncompleted business will be noted in the minutes of the meeting and may be continued at the next ordinary meeting.
- 7.4 A meeting may be discontinued at any time if the meeting so resolves. If so, a further meeting shall be called as soon as practicable to complete the unfinished business.

## **8. Notice of meetings**

- 8.1 As described at 6.3 above the dates and venues for meetings for the following business year will be set and published before the end of May of the previous calendar year.
- 8.2 Written notice of the meetings, agenda and papers will be sent out seven days before the meeting except where a special meeting has been called at short notice.

## **9. Agenda**

- 9.1 The agenda will be prepared by the Board Secretary in accordance with any determination of the Board and in consultation with the Chair of the Authority.
- 9.2 Any member of the Authority Board may place an item on the agenda by writing to the Chair and Board Secretary at least two weeks before the meeting.
- 9.3 Papers that inform agenda items will usually be sent to members of the Authority Board with the agenda seven days before the meeting.
- 9.4 Late papers may exceptionally be submitted subject to the agreement of the Chair of the Authority.

## **10. Standing Items**

- 10.1 The agenda for the meeting will usually include reports from committee chairs.
- 10.2 The Authority Board will receive a report from the Finance Director of ONS at least half yearly.

## **11. Late items of business / any other business**

- 11.1 The agenda will include "Notification of AOB" immediately after "Apologies for absence" and any member of the Board of the Authority wishing to raise an urgent meeting item must give notice at that point in the meeting.
- 11.2 The Board of the Authority will then decide whether any such item is to be discussed or, if appropriate, deferred to a subsequent meeting.

## **12. Attendance**

- 12.1 The Board Secretary will keep a record of those Authority Board members and all other persons present at meetings of the Authority Board and all of its committees.
- 12.2 Any member of the Authority Board who is unable to attend a meeting of the Authority or a committee of the Authority of which they are a member must send an apology to the Chair of that meeting and this will be recorded in the minutes.

12.3 The arrival and / or departure of any member of the Board of the Authority not in attendance throughout the meeting will be recorded in the minutes.

### **13. Quorum**

13.1 The quorum for all business of the Authority Board is seven, of which at least four shall be Non-Executive members.

13.2 Meetings which are not quorate or become so during the course of the meeting cannot pass formal resolutions but can discuss business and make recommendations for consideration at the next meeting.

### **14. Access to meetings of the Authority Board**

14.1 Apart from the members of the Authority Board and the two Director Generals in ONS who are not an Executive member of the Board (as described at 4.4 and 4.6 above), the only other person who will normally attend meetings of the Authority Board in order to give advice is the Board Secretary. The Secretariat of the Authority will also provide a minute secretary for each meeting.

14.2 Other officials of the Authority, ONS or other bodies may be invited to attend for specific agenda items.

### **15. Minutes of meetings**

15.1 The minutes of the meetings of the Authority Board will be kept by the Board Secretary.

15.2 Draft minutes will be sent by the Board Secretary to the Chair of the Authority for approval. The draft minutes once approved by the Chair of the Authority will be sent to all members of the Authority Board (including absentees) within one week after the meeting.

15.3 Any dissenting views will be recorded in the minutes of the meeting if that is the wish of an individual member of the Authority Board.

15.4 Actions will be taken on the basis of decisions made at meetings and need not wait the approval of the minutes at the next meeting.

15.5 The approval of the minutes of the previous meeting will be on the agenda of every meeting of the Authority Board and once approved as a true record (subject to any amendments) will be signed and dated by the Chair (or Vice-Chair if absent). The finally approved minutes together with papers considered at the meeting will then be published on the Authority's website.

### **16. Discussion and debate**

15.6 The Chair, or the person acting in their stead, will ensure that all members of the Authority Board enjoy equal opportunity to express their views.

### **17. Decision-making**

17.1 Authority Board members recognise that all decisions must be made by the Authority Board unless the Authority Board has delegated the function to a committee or individual.

17.2 The Chair may consult the members of the Board if they consider that a formal vote on an issue might be required. In the unlikely event of a need for a vote, only members present at a meeting may vote on decisions and proxy voting is not allowed. A simple majority decides any matter put to a vote. In the event of a tie the Chair of the Authority has a casting or second vote. Voting will be by show of hands.

17.3 Members of the Authority Board share collective responsibility and all decisions of the Authority Board are binding on its members.

17.4 Decisions of the Authority Board may be amended or rescinded at a subsequent meeting of the Authority Board.

## **18. Urgent action**

18.1 The Chair of the Authority may take urgent action or make a decision in between meetings where a delay would be detrimental to the interests of the Authority and a special meeting of the Authority Board cannot be called in sufficient time to deal with the matter.

18.2 If the Chair of the Authority takes any such action it will be notified to the next meeting of the Authority Board if not before.

## **19. Pecuniary and personal interest**

19.1 The UK Statistics Authority maintains a register of the interests of all of its members. Nevertheless, members of the Authority Board are under an obligation to draw attention to any possible pecuniary or conflict of interests whether that has been registered or not.

## **20. Delegation of functions**

20.1 The Authority Board may delegate work to committees of the Authority or individuals or set up working groups to provide information and / or recommendations to the Authority Board.

20.2 The arrangements for delegation will be reviewed at least annually by the Authority Board.

## **21. Committees**

21.1 Committees to which the Authority Board has delegated any of its functions will act strictly in accordance with the terms of delegation.

21.2 The Authority Board will:

- i. determine the size of committees;
- ii. establish and record terms of reference;
- iii. review terms of reference annually;
- iv. determine the frequency of meetings of committees;
- v. establish arrangements for reporting back;
- vi. review the need for committees annually; and
- vii. set the quorum for each committee.

23.3 The Chair of the Authority has the right to attend any committee meetings and receives all meeting papers.

23.4 The Chair of the Authority will appoint the Chair and members of each Committee.

23.5 In June 2014, the Authority Board agreed the following to be its committees:

- Regulation Committee;
- Audit and Risk Assurance Committee; and
- Remuneration Committee.

23.6 All committees will report in writing (usually in the form of minutes) to the next meeting of the Authority Board, except where the committee has met immediately prior to the meeting of the Authority Board and then an oral report will be given and a written report or minutes will be sent to the following meeting of the Authority Board.

- 23.7 All committees will keep formal minutes and copies will be made available to the Authority Board.
- 23.8 The Audit and Risk Assurance Committee will also present a report in writing to the June meeting of Authority Board each year on the activities of their committee for the preceding business year.

#### **24. Working Groups**

- 24.1 The Authority Board may establish ad hoc working groups and will:
- i. determine the size, membership and chairmanship;
  - ii. establish terms of reference;
  - iii. determine when working groups shall meet and give timetables for delivery; and
  - iv. determine procedures for reporting back.
- 24.2 The Chair of the Authority has the right to attend any meetings of working groups.
- 24.3 Working groups established for specific purposes will be discontinued when their work has been completed.
- 24.4 All working groups will present a written report, including recommendations where appropriate, to the Authority Board.

#### **25. Review**

- 25.1 The Authority Board's effectiveness will be reviewed annually. These Standing Orders will similarly be reviewed on an annual basis.
